1. What would you like to take away from this weekend? Are you considering specific volunteer opportunities with PBI-USA (i.e. specific field project)? If so, which?
2. Do you know of others who might be interested in attending? If appropriate, please offer their contact information.

Part 3 - Special Notes:

Lodging/Food: PBI-USA will try to provide participants with lodging (if desired); however we do not guarantee a place to stay. Limited lodging is available on a first come, first serve basis. Send in your registration form as early as possible and we will do our best to find somewhere free for you to stay. PBI-USA will also send out information regarding affordable lodging options to participants. PBI-USA will be providing breakfast and lunch both days of the Orientation Weekend, but will not be responsible for participants' dinners or other food (i.e. snacks).

Participation: Interested individuals often ask if they can participate for only one day of the program. The short answer is that we request that each participant commit to staying for both days in their entirety. We recognize that an entire weekend is a significant investment of your time. We believe that such investment is necessary. It has been our experience that the weekends are more productive for participants if they expect to complete the program and can count on their fellow participants to do so also. The Orientation Weekend will run all day Saturday (up to dinner) and until mid-afternoon on Sunday. If you are able to only attend one day, you MUST make a special request along with all relevant details with this registration form!

Registration Fee: We work hard to ensure that the Orientation Weekend is affordable for participants. As such, we have instituted a registration fee to cover basis expenses of \$25 which will need to be received alongside your registration form in order to confirm registration.

BY RETURNING THIS FORM, YOU ARE EXPRESSING YOUR COMMITMENT TO STAY FOR THE ENTIRE WEEKEND (BARRING SPECIAL UNFORESEEN CIRCUMSTANCES) AND AGREE TO ACTIVELY PARTICIPATE IN THE ORIENTATION WEEKEND.

Registration Deadline: Friday, October 17, 2008
